

WEST TEXAS
YEC **West Texas YEC.** The name YEC or, as some know it, Youth Evangelism Conference is more than a name. It is a commitment. YEC has been around for over three decades. For years it was one of the largest youth events in the world. As it continues to thrive, it has taken on a different form. It is still a great event, and it is now in three different venues. That is why you see “West Texas” added to YEC. This is an event for you and your students.

For the past three years West Texas has continued the commitment to Youth Evangelism. Our conference has seen great things, and this year it is going to the next level.

We are headed to City Bank Auditorium July 29-30. Our personalities include Blanca, KB, Sammy Lopez, and Nick Gainey. A large group of students will gather just before school and celebrate what Jesus has done. Students will be challenged in their faith, and to share their faith.

We want to see you there. We are better together. Healthy churches partner together for the “Kingdom”. We know God is going to do great things. If you would like more information, go to www.westtexasyec.com. If you have any questions, feel free to contact me (info below). We ask you to pray about your involvement. This is going to be a great event, do not miss out. We will see you there...blessings.
